

PAJ INTERNSHIPS

PAJ INTERNSHIPS is a service offered by the *Réseau Place aux jeunes* for students **between the ages of 18 and 35** that want an internship in one of Québec's regions.

To participate in the program, you must complete, sign (as well as the internship coordinator), and send back the form via email at affaires.stages@placeauxjeunes.qc.ca or by fax at 418 523-0386. Once your information has been verified, we will add your application to our bank of potential interns; this bank is accessible to all of the network's migration agents and employers that are looking for interns.

Note that your application does not guarantee that you will be contacted by a migration agent or employer.

Foreign students must ensure that they can legally participate in an unpaid or paid internship in Québec.
